**March 10 - 12, 2026
Calgary TELUS Convention Centre
Calgary, Alberta, Canada**

IPEIA invites your organization to promote your support for industry!

The IPEIA Sponsorship Program continues to support educational initiatives and research in the pressure equipment integrity industry. Our association has built a solid foundation that brings our members technical presentations, special sessions, networking events, training opportunities, and continues to offer engagement with regulators and industry leaders. IPEIA has built an incredible platform to host our **monthly webinar series** throughout the entire year, allowing over 600 members to stay connected.

In addition to IPEIA's annual webinar series, the association will be hosting its **Conference & Exhibition**. Delegates from all over the world will gather to network and learn from industry leaders and the most knowledgeable specialists in pressure equipment.

IPEIA's Annual Corporate Sponsors and Conference Sponsors' continued support will emphasize your company's commitment to the pressure equipment industry and allow IPEIA to stimulate innovative thinking and continuous evolution for our membership.

Your organization is making a difference!
